

To the *thawte* notary: The Thawte Web of Trust is a global attempt to assure Internet user identities through personal verification of national identity documents. The applicant asks you to certify to *thawte* that you have met with the applicant and verified the name of the applicant against two separate original trusted photo-identity documents. If you have ANY doubts or concerns about the identity of the applicant, then please DO NOT COMPLETE AND SIGN this form. For more information about the Web of Trust, including detailed guides for *thawte* notaries, please see: <http://www.thawte.com/wot/index.html>
